

Specialist suppliers of Integrated Logistic Support

Knowledge, experience and analysis

Quorum Logistic Support Limited

When you need ILS for defence projects, our expertise and professional advice help you succeed

Quorum have considerable in-depth experience across the whole range of ILS and CLS activities and bring innovative solutions to even the most challenging of projects.

By identifying supportability requirements, influencing design, predicting and eliminating risk factors, and detailed resource planning, Quorum ensures maximum operational performance at minimum Whole Life Costs (WLC).

Quorum provide cost-effective procurement solutions spanning life-cycle requirements. Experienced consultants project-manage complex ILS projects, including assessment, provision and coordination of the following services:

- **LSA (Logistic Support Analysis)**
Ensuring optimum whole life supportability and affordability
- **TNA (Training Needs Analysis)**
Effective training solutions to meet the training need, with consideration for equipment, target audience, project constraints and policy or procedure
- **LCC (Life Cycle Cost)**
LCC modelling and analysis to enable comparison of cost options through life
- **SSP (Supply Support Planning)**
Initial supply plans and procedures, through to spares and sustainability modelling
- **CLS (Contractor Logistic Support)**
Activities to determine the optimum sustainment from industry in various scenarios of equipment support
- **Technical publications**
Management of technical publications, procedures and programmes
- **Bid proposal**
Management of, or assistance in, the preparation of bids
- **Bid evaluation and marking**
Assessment of the value and viability of bids
- **ILS / LSA training courses**
Comprehensive, in-depth, custom-designed training in ILS and LSA
- **Obsolescence**
Managing obsolescence throughout equipment life

Quorum provide a range of consulting services to support the needs of any project, through Quorum Consulting Services Limited – www.qcsl.uk.com
